Remerciements :

Je tiens à remercier chaleureusement toutes les personnes qui ont contribué à la réalisation de cet énoncé théorique.

Tout d'abord, mes professeurs, Dieter Dietz et Sophie Delhay et ma mentore Claire Logoz pour leurs conseils précieux, leur soutien et leur compréhension pour mon énoncé.

Un grand merci également à mes proches, pour leur soutien et leur intérêt sur mon travail. Enfin, je remercie mes amis, particulièrement Tom Dinh Van Chi et Oscar Guibentif, pour leurs présences et leurs retours constructifs.

a study of modularity and standardisation in Japanese traditional domestic space.

Thanks :

First and foremost, my teachers Dieter Dietz and Sophie Delhay, and my mentor Claire Logoz, for their invaluable advice, support and understanding.

I would also like to thank my family and friends for their support and interest in my work.

Finally, I'd like to thank my friends, especially Tom Dinh Van Chi and Oscar Guibentif, for their presence and constructive feedback.
