

The diagram illustrates the 3D structure of the stadium, showing four levels. The top level is labeled 'art workshop'. The second level is labeled 'dance workshop'. The third level is labeled 'garden kiosk'. The bottom level is labeled 'orchestra workshop'. The diagram shows the layout of the stadium, including the seating areas and the field.

This is a detailed floor plan of a school building. The layout includes several classrooms with desks and chairs, a large central hall with a curved section, a library with bookshelves, a gymnasium with a basketball hoop, and administrative offices. There are also restrooms, a cafeteria, and a playground area outside. The plan is color-coded with various shades of blue, green, and yellow to distinguish between different areas and furniture.
